

Win With Air Quality!

2010 Poster /Cartoon Contest

Improving Air Quality Around Schools

Two Contest Age Groups

Kindergarten – Second Grade

Third – Fifth Grade

Minimum Size: 9 inch x 12 inch

Maximum Size: 22 inch x 28 inch

The poster contest invites you to create a poster or comic strip showing ways to improve the Air Quality around our schools.

Children play a big part in air quality. Riding your bike, taking the bus, turning off the lights and recycling all help improve air quality.

For more ideas, check on the web:

www.fampo.org/airquality and click on Kid's Corner

Cash Prizes will be awarded in April 2010.

First, second, and third place winners from both age groups will be announced.

First Place: \$100.00
Second Place: \$75.00
Third Place: \$50.00

View previous winning posters on
www.fampo.org/airquality

This contest is open to any elementary student in Cumberland County; including Fort Bragg. All students are invited to submit original artwork entries into the contest. The contest deadline is

4:00 pm, Friday March 5, 2010

Winning Entries may be featured in an Air Quality Calendar!

Please mail or submit all entries to:

FAMPO
